

- Public Transit – The purple and red line connects Koreatown to downtown, while the 720 and 920 offers direct routes from West Los Angeles. Please refer to www.metro.net for public transportation options.
- By car – Koreatown is surrounded by the 10, 110 and 101 Freeways. From the 10 Freeway take Western, Normandie or Vermont off ramps and head north until you reach Koreatown.
- Parking – There are some free street parking available around residential areas of Koreatown and parking meters all along commercial corridors. There are many parking lots in Koreatown and most businesses offer some paid parking.
